1 be able to vote who were otherwise eligible to
2 vote?

3 A. I've never spoken to Brian Kemp, so I'm
4 not sure that I can determine what his intention
5 is. But I would say we believe that, as Secretary
6 of State, it's very important for -- he's in charge
7 of the elections.

8 In our estimation, the elections were not
9 able to -- in our estimation, in the elections
10 voters were not able to do what they intend, which
11 is exercise their right to vote and have those
12 ballots be counted.

13 You know, at my job, when I'm in charge
14 of things, if I mess up, I have to face the
15 consequences for it.

16 Q. Now, are you aware that elections are run
17 by county election superintendents and not the
18 Secretary of State?

19 MS. TANIS: Objection to form.

20 THE WITNESS: I am aware that
21 elections are overseen by the Secretary
22 of State and the State Board of Elections
23 and that there are individual county
24 Board of Elections that oversee the
25 polling place workers in their county.
